YOUNG CONSTRUCTOR MEMBERSHIP

Young Constructor Membership is limited to past AGC Student Chapter members who have earned a degree and have been hired by a non-member company or existing Construction Leadership Council (CLC) members that may be transitioning between jobs or going to a non-member company. An individual may hold membership under this classification for up to 10 years or until hired by a member firm. The Young Constructor Member shall be entitled to regular mailings and publications of the Association and will be entitled to the social privileges of the Association at the member rate. The Young Constructor Member shall have no vote or hold no office.

When a Young Constructor Member becomes employed by an AGC of California member, his/her name will be added to the member mailing list upon notification to the AGC Membership Department.

Dues are member obligations and members are liable for the costs of any necessary dues collection action including attorneys fees. For federal income tax purposes, dues paid to AGC may be deductible as ordinary and necessary business expenses. (AGC has elected to pay the "proxy tax" on lobbying activity in lieu of reducing tax deductibility of dues payments.) Dues are not deductible as charitable contributions. It is always wise to consult your tax professional for specific advice.

Annual Dues: \$150

PLEASE INCLUDE MINIMUM PAYMENT OF \$150 WITH THIS APPLICATION
